- > Select a card from Cards & Balances screen
- > Tap Set Alerts & Blocks on the Card Actions screen

There are several options for alerts — tap on each to determine your alert delivery settings and configure the app to best fit your needs.

 Turn Card Off / On – turn your card on and off using the slider button

#### Here you can set blocks for:

- > Transactions over a certain amount
- > Internet and phone transactions
- > Transactions outside of the U.S.

#### Choose how you want to receive alerts.

- Set alerts to send to your email and / or via text message (confirmation of the mobile number is required the first time text message alerts are enabled and standard text messaging fees may apply)
- Text messaging is an optional feature that needs to be enabled by your financial institution

#### SEND MONEY

- > Tap Send Money on the Menu or Card Actions screen
- > Select a card
- > Add a new recipient or select an existing
- > New recipients must be registered and validated
- > Enter the dollar amount
- > Include comments in the notes (optional)
- > Tap Send on the Review & Send screen
